HERE'S the POINT

By SPENCE HELD

Did you ever kick a guy in the teeth and then ask him to pin a medal on you for it?

That, of course, is what the Peninsula News did in blasting the 16-million-dollar sewer bond issue for a Point Loma disposal plant—promoted by the San Diego Chamber of Commerce—and then offering the blast job as an entry in the Chamber's Community Service contest among county newspapers.

Yeah, it took a lot of crust. And it seems to me the Chamber displayed good sportsmanship in accepting the entry and handing it to the three impartial judges.

The Oceanside Blade-Tribune, a daily, was adjudged the winner for a successful campaign in behalf of a new sewer system in Carlsbad. The Peninsula News was awarded second place.

* * *

Early in February, 1954, this newspaper embarked on a campaign to fully inform its readers about the proposed Point Loma sewage plant and ocean outfall.

Sample headlines:

Feb. 4—S. D. and Ocean Beach Chambers Study Proposed Sewage Plant.

Feb. 25—SOME FEAR 'IT'—OTHERS DON'T.

March 4—S. D. Chamber Approves Big Sewer Bond Issue.

April 1—Strong City-Wide Campaign Under Way for Sewer Bonds and Point Loma Plant.

April 8—Ocean Beach Chamber and Legion Oppose Point Loma Sewage Plant.

April 22 — Ocean Beach Plumber Gets Whiff of Big L. A. County Sewage Plant. (That was Jim Restine.)

May 6 — MASS MEETING HERE TOMORROW.

May 13—Sewer Bond Research Committee Goes into Action on Wide Front. (Tom Drake, chairman.)

June 10—SEWER BONDS DEFEATED.

* * *

Col. Tom Drake, one of the most-decorated war heroes in the U. S., organized the local Sewer Bond Research Committee and, as chairman, fought it out with the Metropolitan San Diego Sewer Bond Committee on a city-wide front.

He displayed tremendous energy and ability; he outgeneraled the city slickers at every turn and defeated them almost single-handed.

Nobody has seen fit to give Drake an award.

O. K., here it is—the first annual "Here's the Point" citation for community service. To Tom Drake, a gentleman and a scholar with guts and ability.

Boy Scout Troop To Be Formed Fri.

Ocean Beach Lodge 1755, Loyal Order of Moose, announces that the first organization meeting of a new Boy Scout troop wil be held Friday, May 27, at 7 p.m., at 5019 Newport Ave. All boys between 11 and 13 are invited.

A Scout committee was appointed following a meeting last week addressed by Tex Guess, an official organizer for San Diego Council, Boy Scouts of America. Ed Clark was appointed by the committee to serve as scoutmaster.

On May 19, a meeting was held to form a chapter of the Women of the Moose. Mrs. Joe Lawrence of Chaprter 2, San Diego, spoke to the assembled wives, daughters and sisters of members. They will meet each Tuesday at 8 p.m. to further the formation of a chapter.

A potluck dinner at 6 p.m. will precede the card party to be held at the Moose hall Saturday, May 28. Members and their friends are invited.

Tuna Fishermen's Wives Protest Large Imports

The Tuna Fishermen's Wives Emergency Committee, comprising many Peninsula residents, went into action this week in protest against the large volume of Japanese tuna imports.

They are seeking a quota limitation on such imports to protect the U. S. tuna industry, concentrated at San Diego and San Pedro.

Membership is almost 1000, according to Mrs. Mary Barrett, of 3426 Wisteria Dr., publicity chairman. Chairman of the Emergency Committee is Mrs. Laura Tocco, of India St. The 16 board members include 13 Peninsula residents.

Mrs. Barrett said the women's group asks Peninsula residents to write letters to President Eisenhower and Secretary of State Dulles, asking relief, by means of a quota, from the flood of foreign fish.

Three board members—Mrs. Mary Rogers, Mrs. Algerina Maughan and Mrs. Louise Virissimo—went to Sacramento this week with a delegation of fishermen and housewives to seek help from the California Commission on Interstate Cooperation. Arnold Klaus, assistant manager of the San Diego Chamber of Commerce, also attended.

The commission decided to ask for establishment of reasonable tariff schedules and quota restrictions on Japanese tuna.

Board members of the Tuna Fishermen's Wives Emergency Committee include the following Peninsula residents:

Mrs. Frances Zeluff, Mrs. Betty Gonsalves, Mrs. Mary Barrett, Mrs. Mary Rebelo, Mrs. Yvonne Silva, Mrs. Mary Correia, Mrs. Louise Virissimo, Mrs. Patricia Somers, Mrs. Algerina Maughan, Mrs. Nila Collini, Mrs. Virginia Holland, Mrs. Mary Rogers and Mrs. Vera Romani.

BUSY SCHEDULE ANNOUNCED FOR PLHS SENIORS

Busy days are ahead for Point Loma High School seniors these last three weeks of their high school days.

The schedule includes Ditch Day yesterday at La Jolla Shores; Senior Mothers' Tea, Girls' Gym, June 1; Vesper Services, First Presbyterian Church, June 12; Awards Assembly, Boys' Gym, June 13; Senior Prom, La Jolla Beach and Tennis Club, June 13; Senior Breakfast, Town and Country Club, June 15; Graduation Rehearsal, Greek Theatre, June 15 and Commencement Exercises, California Western University Greek Theatre, 3 p.m., June 16.

Commencement speakers were chosen by application from any seniors who wished to be considered. These applications were submitted to a student-faculty committee who held tryouts. From these tryouts the following were selected to appear: Anne Farrar, Marilyn Allen, Larrilyn Carr, Delores Kail, Richard Hicks and Richard Castro. This 1955 commencement marks the 30th anniversary of Point Loma High School.

O .B. Kiwanis Club

Mrs. Louis K. Sims, of Los Angeles, described the work of the Chaplains Service Corps in a talk to Ocean Beach Kiwanians Tuesday night. It was a special Division inter-club meeting, and "Support of Churches Committees" from eight clubs were represented.

The Chaplains Service Corps, an organization of women of all faiths, works with the chaplains of all faiths of the Armed Forces to maintain morale and offset loneliness of men in service, Mrs. Sims told the group.

Dr. Winton Oster arranged the meeting. Dr. John Martin, of the Old San Diego Kiwanis Club, chairman of the "Support of Churches Committees" for Division 21, was program chairman for the evening.

O. B. Merchants Tied For Lead In Pony League

With each team having played three games, the standings in the Ocean Beach Pony League at the end of last week's play showed O. B. Merchants and 7 Up tied for the lead with two wins and a loss apiece.

Fleetridge Realty and O. B. Service Clubs each had won one and lost two.

The game Tuesday the 17th between the Merchants and Service Clubs was tied at 5 to 5 in the seventh inning when Don Smallwood, the Merchants' pitcher, came to bat with a man on first base and hit a homer over the right field fence.

Thursday's game between Fleetridge and 7 Up also featured a home run. Terry Love, of Fleetridge, smacked it with a runner on base and a run already in, and these were enough for Pitcher Bruce Newton as he proceeded to blank a listless 7 Up club, allowing them only three hits. Chuck Welch and Billy Fontana pitched for the losers.

Saturday's Games

However, 7 Up came back strong in the first game of Saturday's double-header, defeating the Merchants 12 to 9 in a ding-dong battle.

In the second game, the Service Clubs walloped Fleetridge 13 to 8. Mike Nevitt was the winning pitcher, allowing eight hits but being effective in the pinches. Fleetridge used four chuckers—Ron McLeod, Billy Jackson, Bruce Newton and Terry Love. Mike Collelo hit a homer for the losers, who executed the first double play of the season. It was started by Jimmy Shepherdson from his third base position.

Two Point Loma High baseballers—John Dawson and Dick Love—have been doing the umpiring and turning in a fine job with a minimum of squawks from the players.

KNIGHT JOINS FIRM

W. H. "Hap" Hazzard, General Manager of Servisoft of San Diego, announces that Jack V. Knight has joined the water softening firm in an executive position.

Knight formerly held a similar post with California Electric Works, and lives with his wife and two children at 2372 Plum.

TORREY PINES DAY CAMP

Entry blanks are available at O. B. Community Center (daily after 2 p.m.) for the Torrey Pines Day Camp July 5-8, according to Jack Dawson, recreation leader. Entries are limited, so "first come, first served." The Day Camp is open to boys and girls 8-13 years old.

Holiday Monday

Monday is Memorial Day, and most stores in Ocean Beach will be closed for the holiday, it was reported this week. The Ocean Beach branch of the Bank of America also will be closed.

CONSTRUCTION—This shows what's going on at the foot of Cape May Ave., where the beach end of the rock groin (jetty) is well under way. The power shovel—it's a "clam-shell" bucket—is excavating ahead of the rock dumping. The 530-foot groin is expected to prevent sand eroding along the beach.—Les Hamm ptoto.

PARADE OF LIGHTS SUNDAY TO FEATURE HARBOR DAYS

The 1955 Parade of Lights in San Diego Harbor is expected to be more spectacular than ever, with more than 40 boats due to participate.

An outstanding feature of the Fifth Annual Harbor Days Celebration, which will be held May 27-30 under the co-sponsorship of the San Diego Junior Chamber of Commerce and the Port of San Diego, the Parade of Lights is scheduled for Sunday, May 29, at 10 p.m.

Military establishments in this area are entering the parade in full force to give added impetus to the attraction which will climax a full day of water events. Following the Parade of Lights there wil be a fireworks display.

San Diego's Third Annual Maritime and Industrial Exposition, a feature of the 1955 Harbor Days Celebration May 27-30, will be bigger and better than last year's.

The exposition, located on Broadway Pier, wil open at 8:15 p.m., Friday, May 27, following formal ceremonies which mark the launching of the Fifth Annual Harbor Days festivities. Doors will remain open until 10 p.m. Friday. The exposition will open from 10 a.m. to 10 p.m. both Saturday and Sunday and from 10 a.m. to 5 p.m. Monday.

Official ceremonies inaugurating both Harbor Days and the Exposition will be held on a stand at the foot of Broadway. They will follow a motorcade of seven finalists for the Harbor Days Queen contest, dignitaries, Junior Chamber of Commerce officials and drum and bugle corps from Balboa Stadium. There will be no marching units in the motorcade which will leave the stadium at 7:15 p.m., proceed to 12th Ave., then to Broadway and the Pier.

At the foot of Broadway the queen will be chosen from the seven finalists, the remaining six comprising her court. The new Miss Harbor Days will be crowned by Joan Hammett, 1954 queen, who will then cut a ribbon, formally opening Harbor Days and the Exposition.

Helix High Wins News Competition

Helix High School won sweepstakes honors in State College's annual Journalism Day competition last Friday, scoring 14 points.

Escondido was second with 9, and Hoover and Academy of Our Lady of Peace tied for third with 6.

Richard Noonan, Point Loma editor, received the trophy for the best published editorial. Point Loma won the sweepstakes trophy last year.

QUEEN—Jean Da Rosa, center, is one of the queens for the annual Portuguese Festival to be held in the SES Hall, at the foot of Addison St., this week-end. She is flanked by Diana Da Rosa, left, and Alice Da Rosa, side maids. The Festival opened today and festive dances will be held Friday and Saturday. A bazaar is scheduled for Saturday. In the parade Sunday, beginning at 10:30 a.m., will be the Point Loma High School Band under the baton of Maj. Raoul W. Appel. They will wear "Roman helmets." The Point Loma ROTC color guard also will march in the parade to St. Agnes Church. The public is invited.—Les Hamm photo.

PHILHARMONIC CHOIR FORMED AT LOCAL 'U'

Formation of a philharmonic choir at California Western University has been announced by Dr. Walter Teutsch, new chairman of the university music department.

Membership in the group, to be known as the "San Diego Philharmonic Choir," is open to residents of San Diego and does not depend on academic study at the university.

Rehearsals are being held Tuesday evenings and plans are being made for presenting an evening of choral music, including soloist and orchestral selections.

A one-dollar-a-month fee is to be charged to defray expenses. Further information about the choir can be obtained by calling the university at AC-2-1106.

Dr. Teutsch has been chairman of music at Westminister College in Salt Lake City for the past 12 years and for six years was conductor for the Salt Lake City Philharmonic Choir and for the Utah Opera Theatre.

He came to the U. S. in 1938 from Bavaria. He was graduated from universities in Munich, Heidelberg, and Berlin and holds a doctorate in law as well as degrees in music. He holds a number of awards for musical compositions.

Yellowtail Run Nothing Less Than Amazing

Most amazing and prolonged heavy run of yellowtail in the nine-year history of the $25,000 San Diego Yellowtail Derby still is rolling along under a full head of steam, and derby contestants sacked neary 6000 yellows at the Coronado Islands in the first week of the second qualifying period.

At the end of the first seven days, qualifying minimum weight had risen to 21 pounds and the pace setter was Dan Faye, San Diego, with a 39-2 bagged at the Point Loma Kelp beds.

Among anglers from the Ocean Beach-Point Loma area listed among the first week qualifiers are the following: Frank Spencer, 4836 Narragansett, 23-13; W. F. Moring, 4204 Del Mar, 22-8; H. W. Hanson, 1730 Rosecrans, 21-6; and W. Leverenz, 5129 Brighton, 21-2.

The season's yellowtail catch, through May 21, was 21,931 as compared with 12,017 through the same date in 1954.

First bluefin tuna of the season was taken at the Islands last Thursday by William Cordell, San Diego, but the full tuna possibilities were not explored because most of the heavy yellowtail action was near North Island and the tuna school off South Island.

Peninsula News Cited For Community Service

The Peninsula News was awarded second place among San Diego County newspapers for 1954 community service. First place went to the daily Oceanside Blade-Tribune, while the National City Star-News was third.

Winners were announced Friday night at the fifth annual county Press Awards Banquet sponsored by the San Diego Chamber of Commerce in La Jolla Beach and Tennis Club.

The Oceanside daily was awarded first place on the basis of its successful editorial and news campaign for a new sewer system in Carlsbad. The Peninsula News took second for its successful campaign against the proposed 16-million-dollar San Diego sewer bond issue for a Point Loma sewage disposal plant and ocean outfall.

Clyde Wood, general manager of the Peninsula News, said its news stories and headlines on the sewer bond issue were written by Spence Held.

Held joined the Peninsula News Feb. 1, 1954. He was with the Evening Tribune for 23 years as reporter and columnist and was a part-time correspondent for The Associated Press during 1933-41. He has resided in the Peninsula area for about nine years.

Decision of the judges was not unanimous, it was pointed out by Richard Pourade, editor of the San Diego Union, who presented the Community Service award.

"Actually," he said, "The Peninsula News took a position in opposition to a sewer bond issue which was strongly favored by the San Diego Chamber of Commerce. It was evident to the judges that the Peninsula News' policy stemmed from a desire to render true community service, particularly to that area which they thought was in jeopardy from the sewer's outfall."

Wood said: "The Peninsula News covered both sides of the 1954 sewer bond controversy. We gave weekly front-page space to the Metropolitan San Diego Sewer Bond Committee. But we felt our primary obligation, as a community newspaper, was to protect the interests of Ocean Beach and Point Loma."

Tom Drake, of Ocean Beach, chairman of the Sewer Bond Research Committee, spearheaded the fight against the sewer bonds throughout San Diego.

"He did an incredible amount of work,' said Held. "He dug up data on other sewage plants, conferred with oceanography experts, made speeches, appeared on TV, and gave statements to newspapers.

"Tom Drake carried the Peninsula's opposition into Pacific Beach, La Jolla, East San Diego and the rest of the city."

Dr. William C. Rust, president of California Western University, was chairman at the S. D. Chamber's Press Awards banquet Friday.

Judges were Harry Green, president of the San Diego Advertising Club; Kenneth Simms, managing editor of the Evening Tribune, representing Sigma Delta Chi, profesional journalism fraternity, and Lauran Clapp, president of the San Diego Public Relations Club.

De Falco's Market defeated the Optimist Club, 6 to 2, in the other game. Batteries were Michael Hatcher, Tom Webb and John Wenz. De Falco's Frank Gunner hit a homer for De Falco's.

Next games will be played Saturday, June 4, with Kiwanis and Optimists meeting at 10 a.m., and the other two teams tangling at 2 p.m.

85 Local Families Helped Last Year

Eighty-five families in the Peninsula area received $4,250 worth of counselling help from Famliy Service last year. Two famliies in this area are now on the Red Feather agency's rapidly mounting waiting list.

These figures were announced yesterday by Howard E. Crofts, president, who said requests for guidance in marital and parent-child problems have recently skyrocketed.

Mildred van Gessel Exchange Wedding Vows Saturday

Wedding vows will be exchanged Saturday afternoon at 4 o'clock in the La Jolla Presbyterian Church Chapel by Mildred Sylvia Hondious van Gessel and Charles Wesley Satterdaughter of Mr. and Mrs. William Hondius Van Gessel of 4963 Long Branch avenue. Mr. Satterfield is the son of Mr. and Mrs. Paul M. Satterfield of North Hollywood.

Miss van Gessel, who will be given in marriage by her father, has chosen a short formal length gown made of white cotton lace over pale orchid taffeta. The creation is fashioned with a portrait neckline, three-quarter sleeves, long fitted torso and bouffant skirt. Accenting the back interest is the pale orchid shade carried out in a wide draped band fitted to the hip line and caught with an orchid bow. The bodice and sleves of the fashion are sprinkled with sequins. A coronet of seed pearls and sparkling sequins catches the shoulder length veil of illusion. Miss van Gessel will carry a cascade of miniature pink roses, stephanotis and white orchid center.

Matron of honor will be Mrs. Phyllis Hondius van Gessel Newman who will be attired in a lovely pale orchid imported Swiss organdy with white embroidery, fashioned like the bride's, but sleeveless. She will carry a nosegay of miniature pink roses and lavender carnations with a halo for her hair of the same flowers.

Mr. Satterfield's best man will be Robert Cal Bowler with ushers being Gene C. Sommers, the bridegroom's brother-in-law; Worth Welch and Ronald Glennie.

Rev. Robert McClellan will read the service in the Chapel which will have candellabra with seven tapers on either side of the altar. Flowers will be gladiolas, stock and snapdragons in shades of pink, lavender and white.

The public and residents of the Peninsula Area are invited to attend.

Qui Vive Club To Hold Fete Saturday

Qui Vive Dance Club will hold its final formal dinner-dance of the season Saturday evening, May 28, at 7:30 o'clock at the Kona Kai Club on Shelter Island. A no host cocktail party precedes the dinner-dance.

Miniature grass shacks, dancing hula dolls and tropical flowers will set the scene for the dance theme, "A Night in the Topics", said Mr .and Mrs. Robert Exter, dance chairmen. South sea island flyswatter hats, leis and ukuleles will be used for dance mixers.

Other committee members are Messrs. and Mmes. Richard Lydon, James Lyon, Drew Smith, Fred Comings, Cloyd Coates, Morris Dudley and Walter Turner.

New members to be welcomed are Mr. and Mrs. Albert Gabbs and Mr. and Mrs. Austin Madden.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.

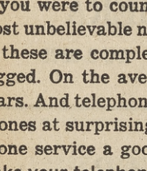
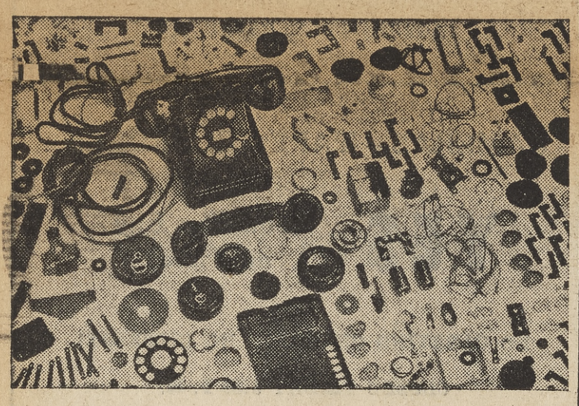
WHAT'S DOING



D. W. Lewis, your Telephone District Manager in San Diego



How many parts make a telephone?

If you were to count the parts in a telephone, you'd find an almost unbelievable number. There are 433 of them, all told. Many of these are complex and precision made. Yet the telephone is rugged. On the average it needs fixing only once in about six years. And telephone people have worked out ways to make telephones at surprisingly low cost. These things help us keep telephone service a good buy for you. Pacific Telephone works to make your telephone a bigger value every day.

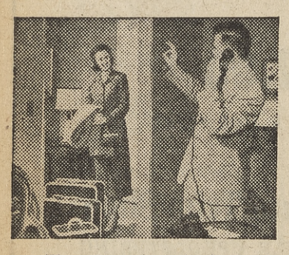
Good way to start a vacation



This is the time of year when many folks start thinking about time off for a rest. And here's a tip that'll help make your vacation even more enjoyable: Before you leave, or while driving to your overnight stop on a long trip, why not call ahead for hotel or motel reservations. That way you'll make sure—in just minutes—that the rooms you want will be waiting when you get there. And the cost is low. In fact, you'll be surprised how far you can call for less than a dollar. So why not take advantage of bargain long distance rates to have the peace of mind that'll make your whole trip more fun.

HAVE YOU DIALED A WRONG NUMBER RECENTLY?

All of us know wrong numbers are a nuisance and a waste of time. But you can easily avoid them if, whenever you dial a telephone number, here in San Diego area, you remember these 3 points—

LOOK IT UP—Be sure you have the right number before you dial.

JOT IT DOWN—It helps to heve the number written down in front of you. So you don't forget it while you dial.

DIAL THE COMPLETE NUMBER—Be sure to dial the first 2 letters and the numeral of the prefix, then the 4 other figures for example, to call AC-3-7599, first dial A-C-3 . . . then 7-5-9-9.

Smoothest way to Chicago ..."Golden State"

USE THE WORD AS YOU WILL, a trip East on S.P.'s *Golden State* is SMOOTH.

Smooth service is yours, all the way...with complimentary hors d'oeuvres in the gay Lounge, with dinner in the Dining Room—or with a sandwich in the Coffee Shop or new Hamburger Grill Car.

And when you lift a brimming glass, you'll realize how *mechanically* smooth this sail by rail from Los Angeles to Chicago really is...why the *Golden State* is chosen by experienced travelers who appreciate the subtle "extras" that set this train apart.

Rewarding travel like this is what Southern Pacific tries to provide. Nature gave us a wonderful *low-altitude* route. We added skillful engineering, careful maintenance, and modern equipment. And we keep looking ahead, trying to work out new ways to improve our service—passenger *and* freight. We're *your* railroad—serving more of the West and Southwest than any other railroad—and we want to be a good road for your benefit.

National Society Of Engineers Meet

The San Diego Chapter of the National Society of Professional Engineers held its annual meeting last week at San Diego State College.

Eugene A. Balas, P.E., who founded the San Diego chapter in 1953, and was president of the society, turned over the gavel to Bernard Gross, P. E. Other officers elected were V. M. Capesius, Vice President; Duane O. Gerde, Secretary; Robert L. Fefferman, P. E., Treasurer; and William H. Herms, III, State Director.

Elected to the Board of Directors were: Eugene A. Balas, P.E., Roy Conrad, P.E., and C. K. Sencebaugh, P.E.

The Society is engaged in social, economic, and ethical aspects of the engineering profession. The members of the organization consist exclusively of engineers who are registered in the state of California.

The State Society's annual meeting will be held in Los Angeles at the Statler Hotel, June 2nd, 3rd, and 4th.

"DAD" BURDINE HOME

"Dad" Burdine returned recently from a two week trip up the coast. He visited San Jose, Portland and Tacoma before coming back to Ocean Beach. He made the trip part way with Mr. and Mrs. L. Woodley. "Dad" reported that his visit to the giant redwood area was the most impressive trip he ever made.

PEN WOMEN TO MEET THURSDAY

The National League of American Pen Women, Inc., Ocean Beach Branch, will meet Thursday, at 7:30 p.m. May 26th in the home of Ruth K. Brady, 1234 Catalina Blvd. Mrs. Brady is widely recognized for her desert paintings in which she captures the very heat and haze of the desert country.
